اسم البنامج:
تحفيظ الكبار

What is this Tahfeez Program?

This Tahfeez program is an afternoon program that will cater specifically to local Los Angeles young adults who, if given a strict regiment, continuous follow up & support, and a 2nd chance, could definitely complete their memorization of the Quran. (Inshallah)

Why start this program now?

- This year, we've taken fewer applicants into LA Mahad's main tahfeez boarding/schooling program, due to varying factors.
- 2 huffaz students returning to program for tahfeez khidmat, thereby increasing local in-person musaa'adat
- This is an opportunity to pursue and help generate huffaaz local to the Los Angeles jamaat

Where would the students hifz?

- Students would hifz Quran from home at their own schedule, but attend tahfeez class at masjid wherever Mukhayyam (Nisaab) students hifz - masjid, madrasa, saahat, etc...
- The purpose of combining the programs would be for all students to benefit from a Quranic environment.

When will the program happen?

- The program will take place 6 days a week, Monday – Saturday
- It will follow current Mahad tahfeez timings, though slightly shorter (5:00 pm – 7:30 pm)
- Program will start from the 4th Academic Year's 2nd week:
 - Monday, August 30th, 2021
 - 23^{mi} Moharram al Haraam 1443h, Lailate Urus Syedi Hasan Feer al Shaheed^{RA}
- The program will follow Mahad's Tahfeez Calendar Year IV

How will the program run?

- Each student will be given one hour of tasmee time daily.
- Monthly hub for the program will be \$253.
 - Hub payment will be required on the first of each month, by check payable to Dawat e Hadiyah (America)
 - Classes will be suspended if payments are delayed by longer than one week.
- The first 3 ½ months of the program till December 2021 will function as a probation period. There after, each month student will be required to finish their assigned monthly takhteet to continue in the program
- Attendance in masjid during class hours and Saturday Tilawat al Dua will be mandatory
- 5 unexcused absences in one month will result in immediate termination from the program
- This program will run on mutual commitment from the student and the program equally.

Who is eligible for this program?

- Student must have a Sanah Ula Mahad al-Zahra sanad to be eligible
- Local Los Angeles mumineen (Ages 17 - 25)
- Students who had memorized the Quran once before but have forgotten it are preferred for this program.
- List of preferred students have been pre-discussed with local Moallim al Mohtaram Janab Sh Juzer bhai Jamali, and their names have been arazed to al Syed al Ajal Shehzada Husain bhaisaheb Burhanuddin's^{DM} office for raza and dua
- Students enrolled and attending Madrasah are currently **not** eligible for this program.
